My name is Giovanna, I am a professional ITEC therapist and CThA professional member insured. AQUAMASSAGE is an amazing new technique of massage that is made on top of cushions filled with warm water of 35-40 degrees. OLISTIC MASSAGE is the conventional style called SWEDISH that offer a deep relaxation and relief of muscle pains. I apply also some reflexology and Tantric technique. I also do Dynamic Meditation to energizing and find the balance between body and.
