Acer Home Support offers help and support at home. We are a small run business with over 35 years experience. I have personally been working in the Health and Social care sector for over 20 years. I have NVQ level 2 and 3 in Health and Social Care and also level 5 in Leadership and Management. We offer a minimum of an hour visit, we can help with shopping, cleaning, cooking, hospital visits, ironing all the little things that will enable you to stay independent at home.

We have own car, insurance and clean driving licence. I have a Portfolio that can be viewed along with character references.

We are reasonably priced and will try to accommodate your individual needs.

I personally look forward to discussing your needs further

Thank you
