Hello everyone. I am Chris and I am a friendly, confident, strong, and experienced masseur. I have been trained for over four years now.

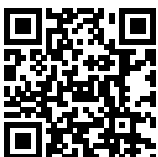

I specialise in Soft, Swedish, Deep Tissue, Sport, Relaxation and other massage techniques (massage tailored to your individual needs).

Having worked a full day and feel the need to relax? Are you looking to recover from muscle aches, pains and pressure from a hard days work? My massage service is for you!

After an initial consultation I will tailor my techniques to suit your wants and body needs. I am here to satisfy you and leave you feeling completely unstressed. I will delight you with the sensuous touch of my soft hands and experience, take care of your body and soul needs to enable you to come out of your shell to embark upon a journey of bliss. Delicate touch and moves tingle you in a charming sense to make you smile. A relaxing full body massage is a great idea... If this is your first massage, don't worry you are in good and safe hands.
