

The brand new format SoundWaves Music Competition UK 2017/2018 is a national talent search in the form of a prestigious music competition in a bid to find the best music within the UK offering a huge prize package including your own UK Tour! We are the only music competition connected to the heart of the industry putting emerging music alongside established talent and we are committed to launching your music across the UK. We are dedicated to building music careers and the development and interests of our artist roster, discovered through our auditions. The new format competition is currently seeking potential applicants to perform on the main stage at the prestigious O2 Academy Liverpool performing to record labels and management companies for the chance to be heard and signed by A&R representatives as well as get their own UK Tour all included.

We are open to bands, solo acts, singers and groups of all genres.

Prize pool:

- Perform at a huge show on the main stage at the Prestigious O2 Academy Liverpool
- Get your own UK tour (First UK music competition to provide the tour)
- Record live sessions as part of the competition format and in some of the best recording studios in your area working with top music producers
- Live slots to play on radio and to be interviewed on air
- Get the opportunity to be seen by the right people and be part of the UK's most connected music competition

~~- Develop alongside partner label Subwaves Studios to further your act and get your music heard~~

Perform at mainstage O2  
Academy Liverpool and Get  
your own UK Tour
