As a natural empath and qualified reiki practitioner, I would like to offer distance healing to those who may require it.

Just like an in-person treatment, I will put the same care and practice in place before I sit down and channel reiki energy directly to you. I will speak with you on the phone/via email before and after to discuss/answer any questions you may have.

I accept payment through PayPal to keep it easy on both client and therapist.
 i'm currently charging an introductory rate of £10 for 40 mins plus consultation.
 Please feel free to ask if you have any further
