

My sister039s funeral

Location **London, London**
<https://www.freeadsz.co.uk/x-526562-z>

Can anyone please share and donate (if you can) to help me and my mum to arrange my sister's funeral, we cannot afford it and we are not entitled to government help. She had type 1 diabetes with complications and diabetic kidney disease. Any little helps, thank you x Here's is the website to donate: www.gofundme.com/eakpt8-my-daughters
