## Palm Tree in large pot (85 GBP)

Location London, London https://www.freeadsz.co.uk/x-526602-z

Fan Palm Tree, about 4 x3ft with baby palms at base in very large pot. Would grow bigger if put in the ground and make a lovely specimen tree. Very healthy and likes all weather, space needed so needs a nice new home. This tree would cost more than double in garden centres so it's a real.
