If you are considering getting your loft boarded with a ladder and light so you can use it as a secure, dry storage area? then make sure you fit the best.

We are Loft Boarding Northwest Ltd and we are the Norths largest installer of top quality loft storage solutions at rock bottom prices. NO corners cut to get the price down, we simply use our bulk buying powers to get the price down on the products we buy and then pass that saving onto you. And we dont import cheap alternative products, we use the best British brands all the time. 5 Year guarantee on all our work we do.

We are the Northwests only Approved loft boarding company and Trading Standards Safe Trader Approved. So you know dealing with us you are safe and only work only by the book. If you are looking for a company that specialises in nothing but loft storage? then you've found it. 10% off any free quote if you mention us on Facebook and Like us using the link below Book a FREE quote: 0800 8799967 0800 87999...
