For sale is my personal Dell E6420 laptop. Im gutted im having to sell it but I just don't use it as much as the price warrants. The laptop is in fantastic condition with very little usage marks on the chassis. Only thing to note is that the battery doesn't charge anymore and will need replacing. The specs are as follows: Intel core I5-2540M with turbo boost upto 3.30GHz 8GB of DDR3 RAM 1TB Western digital Hard drive Has Windows 10 Professional freshly installed COA for Windows 7 professional 1600x900 Screen Wifi and bluetooth Card reader and removable optical drive E-sata and HDMI 60w original Dell slim charger

The laptop has lots of expandablity options including processors up to I7, 16GB of ram, an nvidia quadro graphic card and a backlit.
