It's a well known fact that video can increase your conversions by up to 80%, and sales by up to 64%. So why not make your website different from the others by having a video spokesperson say something about your offer. If you would like to see a sample of what it would look like on your website, just send me the url of your site, and your email address to me at click to contact. I'm sure you'll be excited when you see the result. There is no cost for this.
