

# WD My Cloud Storage 3TB (85 GBP)

Location **South West, Avon**  
<https://www.freeadsz.co.uk/x-527195-z>

Hi, Bought this 18 months ago, set it up but just don't use it!! It connects via an ethernet to your modem, allowing access from anywhere if you have internet connection. Upload or download. Have set it back to 'Factory Settings' so it's ready to go. It has a 3 TB hard drive and has a USB 3.0 expansion port to increase size if required. Have the box and.
