the puppies are chocolate labrador cross part vizsla, they are absolutely gorgeous, bold, confident playful little bundles, they love to play and just adore children. dad is a chocolate labrador who has an outstanding character about him and mum is a chocolate lab crossed with part vizsla who is also super friendly and has a beautiful temperament. The puppies i would say take after their dad, a viewing is a must as the puppies are just adorable !!! they have been brought up in a beautiful environment which has made them what they are, absolutely stunning and super!!
