Melody is a 10hh very sweet bay mare looking for a small jockey to further her education. 100% bombproof, will pass tractors, vans etc without batting an eyelid. Doesn't bite or kick and good to catch, lead, handle feet, load etc. Been used at a children's party for rides and grooming and loved it! She's a forward going mare so would need quite a confident jockey. Has had a 7 year old riding her before but is still quite green otherwise. Enjoys hacking, schooling and jumps brilliantly but hasn't done that with a rider as yet.
