The van is in great condition for age and an excellent spacious van. Please contact me for more info or photos. The van has been thoroughly checked by an independent Caravan repair company and is booked in to have some minor damp repairs at the end of the season. It has been deemed safe for use during the present season. The repairs will be prepaid for the purchaser hence keeping the price at £6495. If you would prefer to sort the repairs yourself we can reduce the price of the van accordingly. 2005 Bailey Senator Carolina

Twin axle.

6 berth

Alko wheel locks.

Everything needed to get started:

Water/waste butts and relevant pipes, 2 gas bottles, toilet liquid (x2 pink, x1 blue, x1 green), electric cable, steps, leisure battery, hitchlock, towing mirrors, leg key.

Mains water adapter kit for Aquaroll. We have had fantastic holidays in this van over the 3 years we've owned it. It is a very large van and therefore really spacious 6 birth (2 fixed bunks, 2 make-up bunks, lounge converts to almost king-size). The end washroom is fantastic; it's large and the shower is great. There's a large wardrobe with shelves and drawers with additional storage shelves and cupboard all in the bathroom.

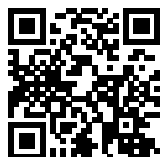

The fridge has a small freezer compartment and there is also a small microwave. The grill is separate from the oven, which is handy. There is plenty of storage. Available for sale for an additional £400:

- 2014 Sun camp Swift 260 Plus 2m porch awning.

- ~~Modular full awning, which can be 2/3/4/5/6 or 7m (5m works really well with the van and adds a lot of~~
