I have owned the car for the past 5 years and it has been a very comfortable car to drive. The cars exterior and interior is in very good condition. It has the following: * 12 months MOT * 54,000 genuine miles (FSH) * 4 reasonably new tyres (within last 6 months) * Full service including the spark plugs, end of last year * 6 speed gearbox * Cruise Control * Ford Sony stereo system * Electric windows / electric folding door mirrors * Electric adjustable seats * Air conditioning. * Leather interior Everything works as it should, I have just put a fresh 12 months mot on the car. The car is advertised else where and I am looking for £1600 OVNO. Thanks for.
