Single lady aged 35 looking for a one bedroom flat local to acocks green shopping centre asap. I'm looking for a ground floor one bedroom flat for rent local to acocks green n hall green, I'm 35 no kids but claim ESA benefits and rent will be paid directly to landlord at request of myself. I'm leaving old property due to it being sold and it was a shared house but wanted my own little home now, I've shared too long. If you can help if be grateful, I'm a good tenant who would keep the property many-sided to the best of my abilities and would pay that extra bit of rent out my disability benefits to make up the rent if it's over the standard government payment as I am getting older now and want to start setting Foundations for my future. My landlord has had me on his books for over five years but due to old age himself n selling his properties for his retirement I now have a matter of weeks to find a new home. If you feel you could help please contact me, I am willing to do the place up, decorate etc so no need t worry urselves and I am willing to look around Tyseley, sparkhill Mosely billsley a green hall green Yardley n parts of small heath too. If you have any advice on where to look and who is willing to except ESA benefits with no or very small deposits please contact me. Thank you for your time and patience. Have a great day and have a blessed week. Thank you once again for your time and patience for taking the time out to read.
