Location **East Midlands, Nottinghamshire**  
<https://www.freeadsz.co.uk/x-527404-z>

My name is Martin. I am a fully qualified Driver & Vehicle Standards Agency (DVSA) Approved Driving Instructor (ADI), working independently as a self employed driving instructor and operating under an franchise agreement with AA Driving School. I provide driving lessons in a manual Ford Fiesta 1.0L EcoBoost (petrol version).

While I have quite a busy diary at the moment, I do have a few weekday daytime slots for learners living in NG8, NG9, the Lenton/Dunkirk parts of NG7 and parts of NG2 (as most of my current learners live or work in these areas). Please note that I do not provide lessons for people who have already booked their practical test or are planning to take their test within the next two months.

In addition, and depending on my diary commitments, I also provide refresher sessions, motorway lessons and the Pass Plus course across most of the NG1-NG16 Postcode areas.

I currently have the following two introductory offers for brand new learners:-

**FREE Introductory Session (1 hour)**

**Taster Session (2.5 hours for £36)**

I also offer a Taster Session for learners who have already have some driving experience (£36 for 2 hours)

My standard PAYG rate is £24 per hour for a 1.5 hour lesson or £23 per hour for 2 hours (cash) with the opportunity to reduce these charges to between £18 and £23 per hour on purchase of a 10 lesson package. I also offer a 10 lesson package for £199. Please see my website for full details of my pricing structure. Please note that I provide 1 hour lessons to learners who are close to test standard AND live within the boundaries of their local test centre.

Before contacting me, please visit my website for further details of my offers, pricing structure and the services I provide (including my approach to providing lessons) as well as testimonials left by previous learners (who passed their test after learning to drive with).
