South East, Middlesex

Original Romahome – Citroen and Island Plastics 1987. 88,563 miles MOT to 27 April 2018. 1.3 manual unleaded.

All paperwork incl. V5, service + repair history. Habitation dry and cosy. Original gas stove + fridge tested 2011 (passed). Leisure battery, interior lights + socket. Parking sensor.

Good tyres, recent service (sparkplugs, air + oil filters). Cosmetic rust in usual places. MOT advisory corrosion not excessive rear suspension spring + component mounting. KwikFit service report advised front brake pads + discs, front lower brushes and repair to nsf antiroll bar. Starts well, runs nicely.

Bought to do the summer festivals but now buying first home instead and can't justify keeping her at same time. Lovely little camper, with TLC has more adventures left in her yet. Priced to reflect condition and quick sale, open to any sensible offers. Pls call/text 07834 602 465 07834 602 4... (click to reveal full phone) .
