Nuna Ivvi Carrycot Safari. Designed for daytime dreaming – the IVVI's carry cot provides your new arrival with all the posh little passenger perks they could ever want or need. With everything from its oh-so-cozy mattress to its oh-so-clever cubby (removable and discrete for stashing swag and such) this cot has it covered

Nuna Ivvi Carrycot Safari. Designed for daytime dreaming – the IVVI's carry cot provides your new arrival with all the posh little passenger perks they could ever want or need. With everything from its oh-so-cozy mattress to its oh-so-clever cubby (removable and discrete for stashing swag and such) this cot has it covered.

Add in its first class canopy-boasting a flip out eyeshade, look-at-me window and darling dream drape™ (to ensure uninterrupted shut eye)-this cot is certain to make your walk in the park, a sweet stroll to dreamland for them.

Happy snuggling, snoozing and cruising in style. Smart design:

Chic styling and smart design create a cozy, comfy nest for baby both perfect for pram or standalone use (even occasional overnight snoozing!).

Stylized oversized canopy with flip out eyeshade and revolutionary dream drape™ provides extra protection from the elements.

Breathable mesh ventilation opens or closes to keep baby cool or warm.

Smart first-of-its-kind secret storage cubby is both removable and washable.

Plush, cushy, better for baby certified Oeko-Tex® fabric.

Top cover provides a snug, warm space and is easily removable with quick release zippers.

Comfy mattress pad is reversible for cold weather days, sporting a soft micro knit side.

Not a baby? No problem! The soft, plush, machine washable lining is removable and washable.

The ultra-thin, foldable surface for easy storage and security and safety.

The aluminum frame features even hold so you can keep a good grip on your precious baby.

The rain cover is included with quick release.

Various additional accessory options available. Specifications:

Recommended use: birth to 9 kg.

Product dimensions: 58 x 40 x 83 cm.

Product weight: 5.96 kg.

Product weight (chassis with seat): 15.7
