We purchased this Yew Display Cabinet with cocktail unit in 1996, it is handmade in England by Bradley and was £2200 new list price at the time. All doors and drawers work perfectly, including cutlery inserts and lining - original keys still in place. The top part of the cabinet with the glass doors lifts off to make transport easier but both parts are heavy and solid, it will probably need a van of some kind to collect. Although it has been little used by us, our cat was kept indoors whilst a kitten a few years ago and climbed on it, leaving scratches mainly along the front cabinet and top edges - see images. I understand these could be filled or french polished to make the cabinet very presentable again but do not have the experience to do this myself. We have recently moved and are redecorating, this cabinet was lovely in our old home but does not fit in with our new furniture and is no longer required. Dimensions HWD are 74" x 59 x 16 inches. Available to view from a Crowborough TN6 1QL address evenings and weekends or call/text 07970 299074 07970 2990...(click to reveal full phone number) for more.
