MAZDA MX 5 1.6 Automatic, Originally Registered in Cyprus and then registered in this country 2010. We have had the car from more or less since it was shipped over. It has been garaged ever since, only going out on high days and holidays. Unfortunately it is time it found another home. It is a bright little car with alloy wheels and good tyres. The soft top is good with a glass rear window and it also comes with a hard top in matching body colour. MOT expires in
