Take That 2 tickets STANDING 6 June 2017 London O2 I have 2 tickets for Take That on Tuesday 6 June 2017 at the O2 Arena in London. Sorry, but I won't sell 1 ticket - it has to be the pair. I bought these on Ticketmaster back in October last year when they were released but had to subsequently buy some seated tickets later when it became clear that standing was not an option. Because these are standing, you will get close - the earlier you get there, the closer you will be. This concert is "in-the-round". Cost to you is £110 (i.e. UNDER FACE VALUE) for the pair (actual costs including all postage and booking fees was £136.05). Face value for a ticket is £59 each (i.e. £118 for the pair) but that does not include postage or booking fees. No offers please. These will need to be collected in person, either from Lewes (outside of normal office hours) or from London (West End, Green Park, during normal office hours) with payment in cash. You are collecting from my home or work, so you know these are genuine. I cannot post these because then we get into the age-old chicken & egg question of what comes first - payment or delivery.... Any questions, please do not hesitate to.
