Rooms to Rent in Islington N7 London. This is a room to rent in a shared house just off the Caledonian Road N7. It has a bathroom, separate toilet and hallway on the ground floor. It then leads down stairs to your right to the kitchen diner, south facing garden. All the rooms get the sun all day in the summer. The kitchen is modern and all but the washing machine is built in and dish washer. The property is 5 minutes to the Caledonian Road tube station and 2 minutes to the CALEDONIAN ROAD & BARNBURY RAIL station. You can walk to Camden Town, Kings Cross, Upper Street or Holloway.

It is in a good location and has great transport connections. The West-End is only 15 minutes away by underground and Regents Park is 35 minutes walk. Upper Street is a happening place and lots of bars and restaurants and a cinema to go to. It has a mixture of people of all types that give it a great vibe when you are out and about.
