Eduplus are a team of IT professional currently working on cutting edge technologies. Our has skilled professional currently working on various IT projects for reputed it organization.

IT employers today seek ready skilled employable resources. Seeking job today required two things, either you have experience or you have skills. However in spite of 55000 colleges producing more than 1 million Fresh graduate in india have failed to meet the IT companies demand of ready employable candidate. Because of this companies have to spend, millions in training fresh talents which put additional cost on companies.

We have devised a powerful framework named S.E.E.D which we put to use in order to prepare a workforce which is specially developed to provide IT companies ready Employable and Deploy-able candidates in various technologies.

We offer following Courses and introducing our S.E.E.D framework using which you are provided quality education which will increase your job fetching chances manifold!! Visit us to know more about our S.E.E.D.
