

Music amp Sensory Groups for babies amp toddlers

Location **South East, East Sussex**
<https://www.freeadsz.co.uk/x-530123-z>

STARTING THURSDAY 8TH JUNE 2017

Babies and toddlers love music and often this is how they communicate for the first time, whether it's through gesture, smiling or action.

Calm Farm's Music and Sensory groups are amazing and completely unique. They provide many different exciting experiences that are great fun for babies, toddlers and parents to share in the important first years. During the first 2 years of a baby's life they learn using their sensory motor skills and at Calm Farm we aim to assist this process through the use of our wonderful lighting equipment and wide range of sensory activities.

These groups are designed to promote all areas of your child's development which is inline with the Early Years Foundation Stage.

What do Calm Farm's groups involve?

- Beautiful World instruments and sound effects
- Makaton and baby massage
- Amazing light projectors
- Wonderful colourful puppets
- Parachutes and drums
- Singing songs and rhyme time

Dancing and learning actions
