

Cavapoo puppies (750 GBP)

Location **East Midlands, Lincolnshire**
<https://www.freeadsz.co.uk/x-530429-z>

Our Cavalier King Charles 'Pippy' had a litter of 4 F1 cavapoo puppies. Dad is a black toy poodle.
Puppies are flead and wormed to date.
Puppies have mixed with cats and children and are brilliant with both.
Theyre now ready for the next chapter of their lives and can leave for their forever homes this weekend.
