A large room (13 x 13 feet) in a shared house in a quiet street in Finsbury Park/Crouch Hill. Close to pubs, restaurants and shops. Close to Crouch Hill station and 6-minutes walk (or two stops on three bus routes) to Finsbury Park Underground (Victoria and Piccadilly lines).

The house is off the main road, so nice and quiet with good neighbors. There is a living room and large kitchen/diner, bathroom, basement and garden (space to store bicycles if needed).

Share with three males who work in public sector, acting and animation. The room/house is best to be seen for yourself.

The bills are split 4 ways - Council Tax and Virgin Media, £50 (each) monthly; By putting away £30 monthly it should cover Gas and Electric, quarterly; Thames Water twice a year and TV License once a year.

The room is available from 12th June, so can be viewed now. The estate agents that look after the house will require a letter of reference and an admin fee (about £50) plus a deposit and one month's rent in.
