A beautiful slab of Star Galaxy granite 2.6m x 1.22m with rounded corners. Surplus to requirements. Has 2 small superficial scratches - see pic. It is extremely hard to take photos of as it is very reflective. The smudge marks around the small scratch on each pic are just reflections! Very heavy so collection only from Horam, near Heathfield. Cost £2,400 - bargain price of £1,100 for quick sale (as taking up valuable space).
