

Install a Cat5eCAT6a network cable.

Location **South East, Surrey**
<https://www.freeadsz.co.uk/x-531522-z>

Hello there,

We supply all the parts necessary - the cable, the outlets, mini trunking to make it neat, and a professional engineer to fit and test.
Also streamlined the existing network, redefined it by finding its strengths and weakness, and then demonstrate how the overall performance and design can be improved.
