MY 14.3HH BLACK COB MARE IS AVAILABLE FOR FULL LOAN.... She's turning 24yrs this year don't let age put u off please come and meet her before you think shes to old she still acts very young and is fit as a fiddle no health problems. Recently had the vet out to do her teeth and they're very happy with her health. She's bombproof in traffic and hacks alone and in company will happily hack over motorway bridges she's perfect with the busiest of traffic big vehicles, tractors etc she won't bat an eye lid! She's ridden by all types of ability of riders and novices to! Even my 3yr old and 5yr old sons ride her. Easy to do and very well behaved never puts a foot wrong. Has been there and done everything she's amazing to be around and a pleasure to own. She's only up for loan as I'm struggling with having 2 and a 3month old baby she's also not getting ridden as much as I'd like she's too good to be a field ornament. I'm looking for someone that would like to have fun with her maybe do some shows, fun rides etc or even just happy hack her. She's amazing to catch, load, shoe, bath, to stable, to leave in her paddock alone, and clip. She's to stay at current yard between Banwell and Locking (Weston-super-mare) I may consider her to move but there will be a strict contract in place. Please no one that's not 100% committed she deserves the best home and I won't let her settle for anything less. I don't want to find someone then they have her for a month and change their mind so please only contact me if you're 100% wanting to loan long.
