Hi looking for a full loan for my confident 16 year old daughter, who has been riding for many years. We have experience of keeping a full loan. Looking for a gelding or non mareish mare, between the ages of 8 and 15, 14.3 to 16 hands. Prefers a horse of a finer build. Needs to be ok on grass livery. My daughter loves her jumping, currently jumping at 70cm but with the right horse is looking to compete higher. We have a regular instructor and looking to go to many clinics. Doesn't mind something that is forward going but has breaks. She also enjoys schooling and likes to find new things to teach a horse, so a horse that enjoys schooling and learning new things. Also enjoys hacking so something that is good in groups and on their own and in open spaces, nothing overly spooky. No bolters or rearers, doesn't mind an exciteable buck but nothing that tries to get you off. In return we can offer a lovely home at a lovely yard with large fields with good grass. He or she will be spoilt rotten and taken to lots of new places, including our favourite yearly trip to Thetford forest. Can send lots of photos and videos. Thank you for
