Location **Scotland, Stirlingshire**

For sale is my head-turning Defender 110 Hardtop 2.5 Tdi

This is a 2000 2.5 TD5 Model. First registered in 2000 having been re-chassis'd. The chassis is in very good condition. (unlike some I went to see when I was looking for this one) chassis number/Vin match on Vehicle and are fully documented with the DVLA and logged on V5 documents. (Vehicle takes year from chassis ( I checked this with the DVLA) Full history report for you to check.

This is a very good example of a Land Rover TD5 with a lot of money spent on it.

Extensive work carried out to include professional re-build by previous owner. Key points;

- Genuine Landrover Service Exchange gearbox
- Reconditioned transfer box.
- Upgraded TD5 engine from 10P to 15P (with approx. 75k miles - changed at 136k miles, now showing 191k).
- Engine pulls as new with excellent acceleration and power.
- Polybush suspension upgrade
- Safari snorkel
- Diffs, transfer box and gearbox all linked to Snorkel
- Diff guards front & rear
- Front skid guard
- Working Air-conditioning
- Adjustable towbar
- Rear door mounted spare wheel
