Kaycees Story Is Below For Anyone Who Doesn't Know About Kaycee Bradshaw.

Kaycee is 5 years old also from Sutton she has been diagnosed with a rare brain condition called Battens disease, she will sadly not live past 9 but hoping till 12/13 with enzyme treatment, luckily for us she has been accepted on to the treatment programme last year and has to attend Great Ormond Street hospital, London every 2 week for the rest of her life she is currently on her 14th Enzyme but as everything it's costly, We are trying to raise funds for Expenses to London and back every fortnight. It's so rare this disease that only roughly 20 people in Britain with it and less than 300 in the world, Please can

you help any way and there has been many media organisations coming through now to bring awareness for Kaycee.
