Beautiful Longhaired little chihuahua girl. Mum and dad both full chihuahua. She is trained to use puppy pads and doing really well with them. Eating dry solid food and drinking water. Loves cuddles and play. Fine around children and other dogs/cats. She is microchipped but will need her first jabs at 12 weeks. She will come with a bed, harness and lead, pads, bowls and food to get you started. She's a real baby and so well behaved. Hoping to find her a loving home where she will get the same loving attention that she gives.
