

Photo Session

Location

South West, Isle Of Wight

https://www.freeadsz.co.uk/x-533496-z

If your looking for a photographer look no further.

First thing I will always make you, your family or your pet feel at ease, which is the most important aspect when taking photos.

Have photographed lots of dogs and celebrities for dog magazines, weddings, music venues, sports and many other occasions.

Please either visit my website or give me a ring, and we can have a chat.
