Toyota Hilux 2008 2.5 D4D Tipper
Recent new MOT, 112 000 miles with full service history.
It has air con, electric windows, Hilux nudge bar, alloys with fitted spacers, recent new tires all round, truck drives excellent. Truck was a pickup, but the rear tub was damaged and was fitted with dropped side alloy tipper body. Truck has been put on the CAT register but I welcome any inspection including AA or RAC.
There is no VAT, reason for sale is because I have finished what I needed it.
