Quicksilver 620

This is a great example of a Quicksilver 620, this is a pilothouse style fishing / pleasure boat. This vessel was fitted with a brand new Yamaha 115HP (with power tilt) engine in 2009 and the engine has very low hours.

This is the best boat engine I have ever had, its always starts on the first turn of the key and pushes the boat along with ease. The Boat is sitting on a galvanised twin axle trailer that has just been overhauled including new wheel bearings, brake lines etc. There are many other great features as follows;

2 Berth cabin

Hydraulic steering

Trim tabs

Raymarine C70 GPS chartplotter / radar

Navman fish finder and back up Navman GPS chartplotter

8 Fenders and various mooring ropes

Mariner 5HP 4 Stroke auxiliary engine with new fuel tank

Life raft as shown in picture in stainless steel harness

Slide out bait preparation table

Bilge pump

Large built in fuel tank with over £100 worth of fuel in it

Anchor locker with anchor and chain included

Cd player / Radio with on deck speakers and remote control

2 x 1500 Watts VHF radio

2 x 1500 Watts lights

2 x 1500 Watts lights

2 x 1500 Watts lights

2 x 1500 Watts lights

2 x 1500 Watts lights
