This is my beautiful baby boy fudge. He is a stunning 5 generation pedigree chihuahua boy. He is dark chocolate in colour. He is very playful and extremely cheeky. He loves to nibble fingers and toes. Fudge is being raised in a busy family home where he is becoming used to all the normal household noises. (Hoover, tv, banging and crashing of saucepans, loud children) He is not at all hand shy and will come to my call already. He is absolutely beautiful with an amazing apple dome head, lovely short snout and tiny cobby body. He has had all his health checks and has been microchipped. He has also been wormed correctly using panacur paste every 2 weeks. Fudge will leave for his new forever home with a huge puppy pack including:-

5 generation pedigree papers

Blanket

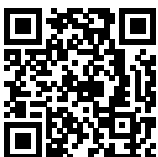

Puppy pads

Worming and info sheet

Microchip card
