Owned from new and used for a variety of jobs around the house and garden. Powerful drill with 0-900 rpm acceleration trigger for screwdriving and drilling, an impact rate of 0-16200 bpm for hammer drilling, forward/reverse switch, 16 torque settings and a 13mm keyless chuck. Cosmetic condition is ok. I've upgraded to 2 Li-On cordless drills so this is now surplus to requirements. Complete with two 1.2Ah NiCad batteries, a 1 hour charger and the original case. Happy to demonstrate. Cash on collection. No postage or.
