Hello, I am an affordable photographer who has been making money from my photography for a number of years.

I offer a bespoke service that is tailored to your needs including studio shooting. I shoot using professional Nikon equipment and am a member of the Society of Wedding and Portrait Photographers. Each package is tailored to my client's needs, but I'm sure you will find my rates reasonable and excellent value for money.

Examples of my work can be seen at <http://www.petelockphotography.co.uk/>

Please don't hesitate to contact me if you would like to talk through your ideas for any photographic.
