

A Blue Apollo Fold Up Bicycle (70 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-533960-z>

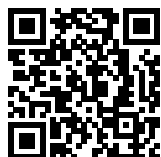

This bike is ideal for family holidays. It is an aluminium fold up bike in very good condition. It has no gears but this means it is very good for real exercise. Dimensions are as follows L.150cm. W. of handle bar 60cm W. of back seat 20cm.Width when folded approx.45cm H.110cm. The lights and mudguard are fine and it is a very strong bike with rubber tyres. The radius of the wheel is 20cm. The bike folds in two parts first at the handle bar and then at the base and can fit easily into the back of a car. It is easy to set up and makes for a comfortable ride. Please look at the.
