Our lovely girl Belle has had a planned kitty litter with Abyssinian Imperial Grand Champion (M), Gr Ch Flamstone Jaspurr (ABY n), Mr D Muspratt, We have three ADORABLE kitties in our house and - much as we truly want to keep them all - we should find them loving new homes. Please note that there are a few people interested from a previous ad - but slowly some have dropped off - so I am putting up this ad so that others may join the list if interested. Abyssinians are adorably affectionate pets and must go to loving family homes. They will reward you with a lifetime of loyalty and fun and an Abyssinian cat is the perfect choice when looking for a pedigree feline. If all goes to plan - the kittens will be ready for their new homes in early-mid August, all kittens will be fully vaccinated (including Felv) and registered with the GCCF. The reason for this ad is to invite emails of interest. She is a usual as is the father - so the kittens will likely be usual, blue and possibly sorrel. Feel free to email on: click to
