Great quality product which will improve horse's comfort and help reduce bedding costs.

In good condition. Bought two years ago, and cost £200 new, and has had light use since. Fits 12 x 12 stable nicely.

Each mat is 6ft x 4ft (1.82m x 1.22m) x 25mm thick

They are made from the highest grade EVA (not cheap hard rubber) which makes for a more comfortable bed for your horse. EVA is a foam material which cannot collapse or go hard has greater thermal insulation than the majority of rubber mats. It also means they are light compared to other rubber.
