Medical examination couch by VICAREY DAVIDSON & CO in Glasgow (renowned medical equipment suppliers) is who supplied this fabulous examination couch, as shown by the branding on the end of the examination couch itself.

Great condition and the backrest is adjustable. The surface can be easy wiped clean too.

It's rare to find this piece of furniture in such great condition for it's age.

Sturdy and well-made examination couch with feature gold colour studs along the edges of the table (see photos) which add character.

It is a dark brown rich colour (see photos).

In addition to being used in a doctor's consultation room at home or work, this lovely piece of furniture can also be used simply to add character to any room or as a massage table or beauty/waxing couch/tattoo parlour bench.

The legs can be removed for ease of transport or storage.
