Selling off my son's PlayStation equipment and discs, starting with the magazines and their demo discs, which are increasingly hard to find together. This batch includes Spider-Man, X-Men and Tekken 3. Overall condition is good - the magazines are complete though a bit dog-eared - the discs and cases have a few scuffs. I've checked that the discs all load and play. More available. Happy to demo with his console but feel free to bring your own. Cash on collection only. No postage or delivery. £8 per magazine with disc, or all 6
