

Bespoke Joinery Services

Location **London, London**
<https://www.freeadsz.co.uk/x-535915-z>

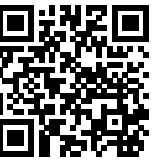

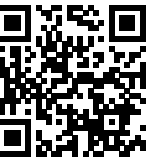

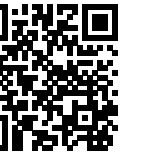

Ark Joinery Project is a London based workshop that takes care of your entire joinery project, from planning to polish, making sure the end results are perfectly integrated and exceptional quality. We have a fully equipped workshop which helps us to control the quality of finish and enables us to complete our projects quicker and without delays.

Ark Joinery Project Ltd manufactures:

- Stairs
- Cabinets
- Kitchens, bathrooms
- Wardrobes and dressing rooms
- Tables, desks
- Inside and outside doors
- Sash and casement windows
- Garden structures
- Other orders according to the customer's idea.
