Condition:

There are a few scuff marks and scratches to the paintwork and graphics. There is just a small amount of rust on some steel parts like screws, and bolts, but nothing too serious to affect the overall performance of the bike.

Servicing:

I have a workshop as in the pictures. My last pic on the advert shows what a bike shop would charge for just a service (without replacing any parts).

I do conduct a similar service at a cost of £25, but that's only for bikes that I have supplied, to known established customers of mine, who will not go anywhere else with their bikes!
