I am a genuine psychic clairvoyant and have been reading for private clients and at fairs for over twenty years. I offer caring, compassionate readings that provide answers and empower you with the ability to make your own choices.

I provide readings to help with all areas of life such as love, relationships, finance, business and much more. Clients are welcome to come for an individual reading or couples may choose a special relationship reading.

I used a combination of mediumship and assistance from my spiritual guides, traditional romany tarot and palm reading to give detailed one-to-one readings.

Clairvoyance is a gift that has been passed down through the generations of my family and the art of the tarot is a skill that has been taught and handed down through the women in our family. You are assured of a caring and professional reading where your choices and confidentiality are respected.

Readings are available from my home near Billingshurst in a peaceful and rural location or I will travel locally if you prefer.

A reading costs £20 and there may be a travel charge if I visit.
