Super king bed and matching furniture (995 GBP)

Location Wales, West Glamorgan https://www.freeadsz.co.uk/x-536377-z

Stunning super king bed with matching wardrobe, dressing table, stool, 2 tall boys drawer cabinets This is absolutely stunning and stylish furniture that is fortunately is too big for my new house

This wooden furniture is solid and beautifully made not like a lot of furniture you buy these days this will last for years

Was offered £1200 by the person who bought my last house but I wanted it for my new house, but Unfortunately it's too big... hence my sale .

(The bed is matching so second image)

First person who views will definitely buy.
