Free upright Piano and stool. Please read this advert all the way through before messaging me. I am giving away an old piano which needs some work but is perfectly playable. It is scuffed, the pedals don't work (no idea why) and it will need retuning after moving. That said, I have been happily playing it for 10 years now and it will probably be fine for a beginner. It also has a proper piano stool which has space for storing music. 130cm high, 145cm wide, 62cm deep. If you think you would like it please be aware transporting a piano is a lot harder than picking up a chest of drawers or wardrobe, it is very heavy and weighs about 200kg. You would ideally need a trailer, or a van with a ramp or tail-lift. It would require quite a few people to lift it into a van without a ramp. I would really love to give this piano to someone as I am moving house and need to get rid of it. Unfortunately, if I cannot get someone to take it in the next couple of weeks, I will have to break it up for firewood, which would be such a.
